

Enhancing Equality Offaly's plan of action:

- Registration 10.30 am upstairs in Tullamore Library
- Refreshments
- Welcome Talk:
- A member of the EEO will talk about the formation of the group- Why we were established and our goals for the development group?
- Living with a disability and the importance of accessibility?
- Make Way Day- What the event is all about? How we will conduct the event?
- Walk in partnership with Council Staff- 5 teams (A council staff member will accompany each group)
- Workshops on accessibility issues that we as a group will feed back to the relevant agencies when the event is finished- Those with mobility issues can take part in the event by communicating their accessibility issues at the workshop which will take place at the same time as the walkabout.
- All those who take part in the walk will return to the library for a debrief following the walkabout

The walk will be in the commercial areas of the town only. The walking route referred to an access plan compiled by The Centre for Independent Living entitled "Tullamore Access Review- Our Town through our eyes and In Our Words: Walking and Rolling Through Tullamore"

Please come and support us on 26th of September at 10.30 as "Together Everyone Achieves More"
